

MUSAT GEORGE PETRUT

< SOFTWARE DEVELOPER />

PROFILE

I am a web developer with experience in technology's as react and angular. I love to build highly interactive web applications. I am keen to explore frameworks that help me in achieving the state of the art architecture. I love coming up with ideas and showcasing them.

EDUCATION

Licentiat in Informatica

Universitatea Titu Maiorescu, Facultatea de Informatica

DIPLOMA DE BACALAUREAT

LICEUL TEHNOLOGIC DE METROLOGIE

Languages

English

(Professional Working Proficiency)

/ WORK EXPERIENCE

Front end developer

Matrix Software House

05/2022-10/2022

As front end developer for Matrix I created, in collaboration with a team, websites using HTML, CSS, JAVASCRIPT, .NET, UMBRACO 8, BOOTSTRAP.

Programator

Midnight Works

08/2021-12/2021

Using the Unity software and C# language I developed the mobile game "The Miner's Dreame". I created every gameplay element from menu functionality to power-ups, level-design, animations (2d / 3d).

Game Tester

SMARTTREE ROMANIA SRL (EA)

10/2019-05/2020

I worked on Battlefield 5 and Madden 21.

Script Writer

IPSOS Interactive Services

03/2019-06/2019

Using the programing language "dimensions" I created custom online survey for clients by programing the logic for each question
